### CALLING ALL SCOUTS!!!

Remember this is your news- letter! How about submitting some stuff you've been doing on your own or with the group. If you don't tell me I won't know.

Or would you like me to give out reporting assignments?

GOT A BRIGHT IDEA TO SHARE?

## ARE YOU DOING ANY RECRUITING ?

By chance did you notice the Webelos at our last campout?

Do you have any idea why they were there?

Well, it's recruiting time! The troop adults have been working very hard, making contact with all the current second year Webelos to make sure they know about troop 236. We need more scouts!

You too can help in recruiting. Your younger brothers need a troop, make sure it's yours! How about their friends? Maybe you know some of the other Webelos and can tell them all about the neat stuff we're doing, so that they will want to become a member of our troop.

Don't leave all the work to the adults! Each of us should

sponsor at least one younger boy. So why not try?

### FUNDRAISING HELP NEEDED

**C**hriston Horstman needs some help and/or ideas for raising the \$800.00 he needs to attend the 1997 National Scout Jamboree, held July 28<sup>th</sup>-August 5<sup>th</sup>. The site of the event is Fort A.P. Hill, near Fredericksburg, VA.

Council requires each attending scout to pay \$800.00 for transportation, meals, lodging and event fees. Many troops are doing joint fund raisers for their scouts.

## GOOD DEEDS

Kudos to Mr. Finn Caspersen, Chairman of Beneficial Finance for the donation of a used desktop computer to the troop.

Additionally, Mr. Larry Bossidy, Chairman of AlliedSignal Corporation donated a used laptop.

These computers are being put to good use by the troop for record keeping & this newsletter.

### WORKING ON MERIT BADGES?

What merit badge are you currently working on? Sometimes it's more fun to work on a badge with someone else...how about letting others know what you're doing and maybe you can team up with another boy.

### JUNIOR LEADERSHIP TRAINING
