Summer Camp

We are planning trips to two camps this summer:

July 8-14
Allamuchy Scout Reservation

July 29-Aug. 4
Sabattis Wilderness Camp in the Adirondack Mountains of New York

The Allamuchy Camp is primarily centered around merit badge activities and the Sabattis Camp around such activities as hiking, canoeing, rappelling, backpacking, logging and forestry and kayaking.

At Allamuchy we eat in a dining hall and sleep in platform tents. At Sabattis we cook our own meals with supplied food and sleep in our troop tents.

All scouts are encouraged to go to both camps, but there are three requirements for new scouts* going to Sabattis:

- each new scout must have had sufficient camping experience at troop outings
- must attend the Allamuchy camp, July 8-14
- at least one father (preferably two) of new scouts must attend the Sabattis camp or no new scouts may attend.

* joined since May, 1989

Note...

The January campout has been canceled because we can't find a warm enough cabin.
